Provide individuals with disabilities the services they need to compete for and achieve **high-quality employment** in the 21st century global economy.

Strengthen **alignment** of the workforce development system through unified strategic planning, common performance measures, and the one-stop delivery system requirements

Emphasize the achievement of **competitive integrated employment** for all individuals with disabilities

Expanding services to support the transition of **students and youth with disabilities** from secondary education to postsecondary education and employment

Unified State Plan vs Combined State Plan

Core Programs

6 Core Programs

Unified State Plan

Communicates the **State's vision** for its workforce system and serves as a vehicle for aligning and integrating this system across Federal programs.

4 Credential Attainment

5 **Measurable Skill Gains**

6 Effectiveness in Service Employers

def  The percentage of **participants** who, during a **program year*** are:

1. In an education/training program that leads to a **recognized** secondary or postsecondary credential or employment, **and**
 2. Are achieving measurable skill gains, defined as **documented progress**, toward such a credential or employment.
- *Not an exit based measure

Includes all VR participants **if** the recognized secondary or postsecondary credential is **identified on the IPE**.

Participants are **only included one time per PY**, regardless of how many skill gains they achieved in a given PY.
Exception is a participant with multiple periods of participation in a PY.
